Mr. Sanjay Gupta, Chairman, APL Apollo, comments on Q2FY26 results

"APL Apollo has delivered its best-ever quarterly performance in Q2FY26, with highest sales volume, EBITDA, and PAT. It is a remarkable milestone given the challenging demand environment faced by the construction material industry. Despite extended monsoons, a subdued macroeconomic environment, global trade uncertainty and ongoing slowdown in government infrastructure spending, APL Apollo has delivered exceptional resilience and execution strength.

We are ready with our capacity, diversified product portfolio, distribution network and strong brand pull. Henceforth we expect 2HFY26 to perform much better than 1HFY26. The company's commitment to delivering exceptional product quality, coupled with its unwavering dedication to customer satisfaction, has propelled it to the forefront of the industry. We continue to remain prudent with our working capital management, which remains best in the construction material sector".
