**India's No. 1 Steel Pipes &
Tubes Company forays into the
'Wondoorful' world of doors**

Apollo TriCoat, a part of Sudesh Group of companies, and a subsidiary of APL Apollo steel tubes, uses state-of-the-art technology available globally. The company focuses primarily on direct consumer facing products. Be it doorframes, designer tubes, conduits or planks, Apollo TriCoat has a wide spectrum of home improvement products which add value to the lives of countless people across the globe.

APL Apollo brings you

Let your doors reflect your modern style and futuristic thinking. Make a 'Wondoorful' style statement by saying goodbye to wooden doors that harm the environment. Switch to Apollo Wondoor - a range of complete steel door solution that not only protect trees from being cut but also protect you from those strenuous door installation processes. Apart from taking the style quotient of your home a few notches higher, of course.

Now every wall will know joy and every room will hold WONDER.

Apollo Wondoor – a Wondoorful innovation

Finally, a door that exceeds your expectations

Apollo Wondoor offers a range of beautiful designs that will combine perfectly with your home's style and add to its positive ambience, while providing unmatched security to your family. Moreover, when strength, beauty, value-for-money and longevity, all come together with an environment-friendly door that's termite-proof and fire-resistant, what more can one ask for!

A greener planet begins with a greener home. That's why, choose steel over wood.

Wooden doors are adding to the problem of rampant deforestation across the globe. Moreover, the process of making a wooden door has many complications and there are no checks for quality or price. It's about time you switched to the greener option. It's about time you chose Apollo Wondoor. The most environment-friendly door in India - Apollo Wondoor can be your biggest step towards contributing for a greener planet, as every 2 Apollo Wondoor steel doors save 1 tree.

Enter a Wondoorful era of benefits

Termite Proof

Apollo Wondoor is more resistant to termites than wooden doors

Fire Resistant

Apollo Wondoor automatically resists fire as it is made of steel

Environment Friendly

Every two Apollo Wondoor doors save a tree from being cut

Superior Strength
